2016 Fast Pitch Frenzy Tournament Rainout Policy

The following is the procedure that will be in place, should any portion of the **2016 Fast Pitch Frenzy Tournament** be affected by rainouts or any other natural event that cannot be controlled by tournament committee members.

1. The tournament committee will make every effort to reschedule any rained out games in there entirely during the course of the tournament week. The tournament will **NOT** be extended into the following week due to the lack of field availability. Should a rainout(s) occur, teams **MUST** be flexible and may be required to play on a different field, at a different time or at another location in McHenry. This year we will be utilizing Rainedout.com, our rainout hotline (815-334-7246) and our web site, www.mchenrypigtail.com/Frenzy to keep teams up to date should the weather be questionable. Rainedout.com is a free service that will text and/or email you with information as it is updated.

2. If time restraints exist, the tournament committee reserves the right to limit all pool play and/or Championship games to a 1-hour drop-dead time limit. All final scoring rules will follow the procedure discussed in the divisional rule exceptions. Every effort will be made to allow all Championship rounds to be played out in there entirely if time permits.

3. If #1 & #2 noted above are not possible, the tournament committee reserves the right to offer a refund as a last resort. This decision will be determined solely on the discretion of the McHenry Pigtail Fast Pitch Frenzy tournament committee. Any team not receiving the guaranteed number of games due to rainouts or any other uncontrollable event will receive a refund equal to the registration fee divided by the number of guaranteed games not played, less an administration fee of \$100.00. There is no refund if rainout dates have been established or if games have been shortened to a 1-hour drop-dead time limit. Other then above, there are no refunds allowed after the schedule has been published.

- The McHenry Pigtail Fast Pitch Frenzy tournament committee reserves the right to modify, change or establish any other policies pertaining to rainouts. They will attempt to handle rainout situations to the best of their ability keeping in mind the best interest of the tournament, tournament teams, and their players.
